

# SUNDAY MORNING BIBLE STUDY

Starting Sunday morning, September 6<sup>th</sup>, our Sunday school will begin a new series of study that will take us through the Bible. All age groups, preschool through senior adults, study the same Bible book. The curriculum is adjusted for each age group.

During September – November, we will be studying the first book in the Old Testament, the book of Genesis. We will explore a variety of topics and answer many questions.

- Did God create the world in six days or six periods of time?
- Where is the Garden of Eden located?
- When did it start raining on earth?
- Was the flood local or worldwide?
- Who is the father of the Jewish race?

During December – February we will be studying the first book in the New Testament, the book of The Gospel of Matthew.

- Was John the Baptist and Jesus related?
- Could Jesus have sinned during the temptation?
- Why did the gospel come to the Jews first?
